MF 100 Series Planter

MF 100 Economy Plus and High Specification Version

No-Till Mounted Planters (2, 3 & 4 Rows)

These robustly-built, three-point mounted planters are designed for the smaller-to-medium sized farming operations and are available in two or four row configurations.

The Economy Plus model has a more basic specification for cost-conscious enterprises.

Both planters can handle a wide range of crops with ease, including maize, soybeans, sunflower, sorghum, beans, cotton, and other varieties.

Robust 375 mm (15")Ø Trash Coulter ensures effective performance even in the most demanding crop residues. Working in front of the shear-bolt protected fertilizer tine for accurate fertilizer placement.

Row spacing is easily varied between 45 cm to 100 cm on the two row and 45 cm to 91 cm on the three and four row by sliding the individual row units along the frame to allow all row configurations to be planted easily and accurately.

The large capacity seed (25 kg) and fertilizer (80 kg) hoppers reduces downtime maximizing productivity throughout the planting operation.

Durable 350 mm double-disc seed openers with parallel linkage and the rubber gauge wheels (cast-iron on the Economy Plus) combine to provide accurate seed placement and consistent depth.

The two models meter the seed mechanically for simplicity and both require just 45-82 hp (33-61 kW) for effective operation. Drive for the seed and fertilizer units is taken off the ground wheels.

A wide walk-board with handrail and anti-slip floor covering is an additional safety feature on the MF 100.

The MF 100 Series planters also provide an ideal platform for the grower who is contemplating trying out the conservation planting practice for the first time, prior to making a more progressive leap.

Specifications

Model	Rows	Row Spacing (cm)	Working Width(cm)	Capacity (Kg)	
				Seed	Fertiliser
MF 104 Economy Plus	2	45 - 100	135	50	160
MF 104 Economy Plus	3	45 - 91	160	75	240
MF 104 High Specification	2	45 - 100	135	50	160
MF 104 High Specification	3	45 - 91	160	75	240
MF 106 Economy Plus	4	45 - 91	300	100	320
MF 106 High Specification	4	45 - 91	300	100	320
