**MF 8S.265 1:32**

The latest model in the Massey Ferguson series, the MF 8S.265, has a completely new design with a bracket on the engine bonnet and a large cab that is reminiscent of the MF 2700 series. The miniature contains all the features of the famed model right down to the smallest detail, including the interiors and removable outside mirrors.
X993041206262

**MF LUNAR CONCEPT 1:32**

With the MF Lunar concept, Massey Ferguson presented its vision for the future at Agritechnica 2019. The concept gives a taste of the design of future models in the range and pays tribute to the 50th anniversary of the first man on the moon. The MF Lunar concept will change the way people think about tractors. This exclusive miniature replicates the original model with its pearlescent white paintwork and gold cab windows, LED lighting, innovative wheel design and fairing. A first in the world of miniatures.
X993041206279

**MF 7726 S 1:32**

What better tractor to reproduce in scale, than the successor of the multi-award winning MF 7600 Series? The updated hood features a new MF lightbar with signature 'S', with the MF triple triangle still in pride of place. A front weight, new outside mirrors, and GPS antenna complete the high level of detail on this greatly anticipated replica.
X993041805304
