

AGCO PARTS PREMIUM ENGINE OIL 15W-40

Heavy Duty Diesel Engine Oil

The exclusive low-ash formulation helps protect the exhaust catalysts and particulate traps found on the latest low emission vehicles. The oil contains a specifically designed additive package which provides engine protection across the entire range of loads and temperatures.

Performance, Features & Benefits

• Lower Operating Costs

AGCO PARTS PREMIUM ENGINE OIL 15W-40 is formulated with specially designed additives to prevent the accumulation of harmful acids and deposits. As a result, your engine remains clean and works more efficiently for a longer time.

• Outstanding wear protection

AGCO PARTS PREMIUM ENGINE OIL contains special additives designed to protect your AGCO engine from deposits, acids, and premature wear.

Main Applications

• Agricultural and common machinery

AGCO PARTS PREMIUM ENGINE OIL 15W-40 is an ideal choice for use in low emission engines. The “Low SAPS” technology provides maximum protection even under severe operating conditions.

Specifications, Approvals & Recommendations

- API CK-4, CJ-4, CI-4 Plus, CI-4, CH-4
- ACEA E9, E7
- JASO DH-2

For a full listing of equipment approvals and recommendations, please consult your local representative.

Typical Physical Characteristics

Properties			Method	AGCO PARTS PREMIUM ENGINE OIL 15W-40
Kinematic Viscosity	@40°C	mm ² /s	ASTM D445	118
Kinematic Viscosity	@100°C	mm ² /s	ASTM D445	15.5
Viscosity Index			ASTM D2270	139
Density	@15°C	kg/m ³	ASTM D4052	883
Sulphated Ash		%	ASTM D874	1
Total Base Number		mg KOH/g	ASTM D2896	10.6
Flash Point (COC)		°C	ASTM D92	227
Pour Point		°C	ASTM D97	-33

These characteristics are typical of current production.

Health, Safety & Environment

• Health and Safety

AGCO PARTS PREMIUM ENGINE OIL 15W-40 is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Safety Data Sheet, which can be obtained from your AGCO representative.

- **Protect the Environment**

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.

Additional Information

- **Advice**

Advice on applications not covered here may be obtained from your AGCO representative.
