

AGCO PARTS PREMIUM TRANSMISSION OIL 15W-40

Premium Performance SAE 15W-40 Universal Tractor Oil

AGCO PARTS PREMIUM TRANSMISSION OIL is an innovative universal oil designed for use in a wide range of agricultural machinery. This oil has high performance characteristics when used in engines, transmissions, and hydraulic systems.

Performance, Features & Benefits

• High performance characteristics

The excellent performance characteristics of the AGCO Parts Premium Transmission Oil offers a significant extension of machine service life and help prevent metal “fatigue” and the premature wear of working parts,

• Protection of gears

High-quality protection of all transmissions, gears, and bearings.

• Anti-corrosion properties

Protection of all working parts from corrosion.

Main Applications

• Universal product

AGCO PARTS PREMIUM TRANSMISSION OIL is suitable for most types of tractor transmissions and hydraulic systems:

- Oil bath immersed brakes
- Power takeoff systems
- Hydraulic systems
- CVT stepless transmissions
- Steering boosters
- Hydrostatic transmissions
- Conventional mechanical transmissions

Specifications, Approvals & Recommendations

- Massey Ferguson M1145, M 1144, M 1139
- API Service Classification GL-4
- Suitable for use in applications requiring API CF-4/SF performance level
- ZF TE-ML 06B
- John Deere JDM J27

For a full listing of equipment approvals and recommendations, please consult your local representative.

Typical Physical Characteristics

| Properties | | | Method | AGCO PARTS PREMIUM TRANSMISSION OIL 15W-40 |
|---------------------|--------|--------------------|-----------|--|
| Kinematic Viscosity | @100°C | mm ² /s | ISO 3104 | 14.5 |
| Viscosity Index | | | ISO 2909 | 135 |
| Density | @15°C | kg/m ³ | ISO 12185 | 890 |
| Flash Point (COC) | | °C | ISO 2592 | 226 |
| Pour Point | | °C | ISO 3016 | -27 |

These characteristics are typical of current production. Whilst future production will conform to specification, variations in these characteristics may occur.

Health, Safety & Environment

- **Health and Safety**

AGCO PARTS PREMIUM TRANSMISSION OIL 15W-40 is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety are available on the appropriate Safety Data Sheet which can be obtained from your AGCO Representative.

- **Protect the Environment**

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.

Additional Information

- **Advice**

Advice on applications not covered here may be obtained from your local representative.
